

EMPLOYEE DATA PROCESSING & MONITORING AGREEMENT

This Employee Data Processing & Monitoring Agreement ('Agreement') is executed as of January 1, 2026, between Northwind HR Systems ('Employer') and Vendor Beta Workforce Analytics ('Processor'). This document governs the collection, processing, and monitoring of employee data across Employer's workforce management platform.

SECTION 1: MONITORING SCOPE AND PURPOSE

Section 1.1: Purpose Limitation. Processor shall deploy workplace monitoring devices, including badge access logs and workstation activity trackers, solely for the purposes of security, productivity measurement, and regulatory compliance auditing.

Section 1.2: Retention of Monitoring Logs. Workstation activity logs will be retained for a period of thirty (30) days before automatic deletion, consistent with standard data minimization principles.

SECTION 2: EMPLOYEE BIOMETRIC DATA HANDLING

Section 2.1: Biometric Collection Scope. Employer collects fingerprint and facial recognition data from employees for the purpose of secure facility access control.

Section 2.2: Third-Party Data Sharing. Processor may share employee biometric identifiers, including fingerprint templates and facial recognition profiles, with third-party marketing affiliates and workforce analytics partners for commercial benchmarking purposes, without obtaining additional explicit consent from the affected employees.

SECTION 4: WORKFORCE PLATFORM OPERATIONS - PART 2

This section establishes supplementary operational terms for the workforce management platform applicable on page 4 of this agreement.

Section 4.1: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

Section 4.2: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

Section 4.3: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

SECTION 5: WORKFORCE PLATFORM OPERATIONS - PART 3

This section establishes supplementary operational terms for the workforce management platform applicable on page 5 of this agreement.

Section 5.1: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

Section 5.2: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

Section 5.3: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

SECTION 6: WORKFORCE PLATFORM OPERATIONS - PART 4

This section establishes supplementary operational terms for the workforce management platform applicable on page 6 of this agreement.

Section 6.1: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

Section 6.2: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

Section 6.3: Platform uptime commitments, support ticket escalation paths, scheduled maintenance windows, and standard service-level reporting cadences under this workforce analytics engagement.

SECTION 7: SECURITY INCIDENT HANDLING

Section 7.1: Data Breach Notification. In the event of a security incident affecting employee personal data, Processor shall notify Employer at Processor's sole discretion, with no defined maximum notification timeframe, and Employer shall determine whether downstream notification to affected employees or regulatory authorities is warranted on a case-by-case basis.

SECTION 8: EXECUTION

IN WITNESS WHEREOF, the parties hereto have executed this Employee Data Processing & Monitoring Agreement as of the effective date written above.
